## 2021 Proceeds Benefiting Ascension Borgess Hospital Emergency and Trauma Center

For 30 years, the Ascension Borgess Golf for Health Tournament has been supporting projects that improve the care and experience of patients.

This year supports a \$1.5 million upgrade to directly impact the nearly 50,000 patients who visit the Ascension Borgess Emergency and Trauma Center each year.

The upgrade will improve patient care and family experience, provide reduced wait times, optimize the triage process, expedite clinical care decisions, and provide an overall upgraded care experience.

Please join us at the 30th Annual Golf for Health benefiting the Ascension Borgess Emergency and Trauma Center.
